

# RAZVAN STAN

## Full Stack Developer

Aspiring web developer with a background in aviation, complemented by a bachelor's degree in economics. Eager to apply my evolving skill set and educational background to contribute effectively in a developer role.

### Education

#### Full Stack Web Developer

Digital Career Institute, Berlin Germany

03/2023 – Present

- Currently wrapping up a rigorous one-year, full-time web development training program, gaining proficiency in essential technologies and frameworks through practical projects in both front-end and back-end development

#### Bachelor of Economics Finance and Banking

Transilvania University, Brasov Romania

10/2007 – 07/2010

- Acquired skills in banking operations
- Focused on financial management principles

#### Informatics and Mathematics Highschool

Grigore Moisil College, Brasov Romania

10/2004 – 07/2007

- High school graduate with a focus on mathematics and programming
- Certified junior programmer with proficiency in coding principles and algorithms, particularly in Pascal.

### Experience

#### Flight attendant

Easyjet Europe, Berlin Base

10/2018 – 10/2022

- Provided attentive and personalized service to passengers, ensuring a positive and comfortable travel experience.
- Demonstrated crisis management and effective communication for in-flight safety and satisfaction.

#### Revenue operations analyst

Match New Generation, Arezzo Italy

06/2017 – 06/2018

- Tracking the revenue data of the company determining the direction of the revenue trend and working across solutions for reaching the monthly target.
- Assisting the manager in interviews.
- Coach and train employees and staff.

#### Revenue operations junior analyst

Progressum Diligens, Arezzo Italy

02/2015 – 04/2017

- Optimized workflows through procedural mapping, documentation, and continuous improvement.
- Crafted dynamic reporting systems for precise daily, weekly, and monthly forecasting.
