Education

🎓 Full Stack Web Developer
Digital Career Institute, Berlin Germany   **03/2023 – 03/2024**
- Currently, I have completed a rigorous one-year, full-time web development training program, gaining proficiency in essential technologies and frameworks through practical projects in both front-end and back-end development.

🎓 Bachelor of Economics Finance and Banking
Transilvania University, Brasov Romania   **10/2007 – 07/2010**
- Acquired skills in banking operations
- Focused on financial management principles

🎓 Informatics and Mathematics Highschool
Grigore Moisil College, Brasov Romania   **10/2004 – 07/2007**
- High school graduate with a focus on mathematics and programming
- Certified junior programmer with proficiency in coding principles and algorithms, particularly in Pascal.

Experience

✈️ Flight attendant
Easyjet Europe , Berlin Base   **10/2018 – 10/2022**
- Provided attentive and personalized service to passengers, ensuring a positive and comfortable travel experience.
- Demonstrated crisis management and effective communication for in-flight safety and satisfaction.

💼 Revenue operations analyst
Match New Generation, Arezzo Italy   **06/2017 – 06/2018**
- Tracking the revenue data determining the direction of the revenue trend and working across solutions for reaching the monthly target.
- Assisting the manager in interviews.
- Coach and train employees and staff.

💼 Revenue operations junior analyst
Progressum Diligens, Arezzo Italy   **02/2015 – 04/2017**
- Optimized workflows through procedural mapping, documentation, and continuous improvement.
- Crafted dynamic reporting systems for precise daily, weekly, and monthly forecasting.
